

RFDS KEY MESSAGES

Use these stats to help your supporters better understand the impact of your fundraising

Every two minutes, someone needs the Flying Doctor

The RFDS works to provide emergency medical and primary healthcare services to anyone who lives, works or travels in rural and remote Australia.

With a waiting room or 7.69 million square kilometres, the RFDS ensures every Australian can be transported to the care they need, both in the air and on the road.

With virtual health services, fly-in fly-out GP and primary healthcare clinics, mobile dental services, mental health and wellbeing services and a myriad of other healthcare services, the RFDS is constantly working to provide better health outcomes for those living in regional, rural and remote areas

The RFDS has more than **900 patient contacts** daily

In the past year, **58,839 patients** have been transported by road

The RFDS has **23 aero bases** across the country operating a fleet of **81 aircraft**

The RFDS distributed **2,370 medical chests** in the past year

The RFDS conducts **68 health clinics** every day

27,475,543km flown – the equivalent of 34 trips to the moon and back
